ISSUE 156 NOVEMBER 1981

BAR HILL - EMMERTSGRUND TWINNING

Contact has now been made with Emmertsgrund - a suburb of Heidelberg - with the idea of twinning our two communities. This is a new suburb of Heidelberg with a proposed population of 10,000 of mixed ethnic origins. It is a wooded area within walking distance of the old city and castle. It has high rise and single storey dwellings with a junior school and open play areas. The proposal is that we participate in the Cambridge - Heidelberg Festival taking place over the next two years. We would act as hosts for the period of 14th April - 19th April, 1982, to our German friends and the following year we would be invited to Heidelberg at Easter. It is hoped that between 400-500 people from various Cambridge clubs and societies would participate in the event but we would it seems be the only village.

I would ask anybody who is interested and willing to act as a host for the above mentioned dates to fill in the form and return it to me no later than 20th November so I may then contact Frau Rott as to the approximate numbers we can accommodate. We have to act quickly on this initial exchange proposal so that they may apply for the grants available with the Cambridge/Heidelberg Festival.

I look forward to hearing from as many of you as possible to participate in this unique venture in Bar Hill's young history.

---

If you can act as a host, please complete and return this form to Mrs. R. Cruse, 1 Pheasant Rise, no later than 20th November.

## PARISH COUNCIL NOTES

The monthly meeting of the Parish Council was held on Tuesday 20th October in the Village Hall.

### Increased representation

Following the discussion at the last Parish Council meeting the Clerk reported that he had been advised by the District Council that on present population figures, Bar Hill should be entitled to an extra two parish councillors, bringing the total number to 13. However, this needs to be ratified by the full District Council, and, with Parish Council elections being due in May 1982, it seems that the increase in number would be best made at that time. In the meantime, anyone who is interested in becoming a parish councillor is welcome to attend our meetings, on the third Tuesday of each month, get to know the background of Parish Council matters, and participate in discussions (although of course they may not take part in voting). For more information on this, please contact the Deputy Clerk, Christine Avery (tel. 31233).

### Dry Drayton Churchyard

The Chairman reported on the meeting with members of Dry Drayton Parish Council and the Parochial Church Council concerning Dry Drayton Churchyard. Although the churchyard itself is now full, there is a piece of land available for use as an annexe, but this is at present somewhat overgrown. Bar Hill Parish Council voted to offer to clear this piece of land so that it may be used for future burials, and we hope that this will resolve the problem.

### Wall

Residents will have noticed that the wall at the entrance to the village, from Acorn Avenue towards Robin Close, has been roped off. This is at present in a dangerous condition and we would request everyone to be most careful until repairs can be carried out. We do assure local residents that this is being treated as a matter of urgency, and we regret any inconvenience caused.

Permission of landlords for alterations and extensions

We would draw residents' attention to the fact that under the terms of the leases permission of the landlord is required before any alterations or extensions are carried out to property. Bar Hill Parish Council is now the landlord of any leasehold property in the village, with the exception of Hollytrees, which at the time of writing is still under the jurisdiction of Bar Hill Developments Ltd. If you are planning to extend or alter your property, you should, in accordance with the lease, make application to the landlord for permission to do so. If you do not, you may encounter difficulties and delays if you wish to sell your house at a later date. We regret this imposition on householders, but emphasise that it is in your interests in the long term. Permission is normally granted without any difficulty, so provided prompt application is made, it should not cause undue delay. Applications may be sent to Christine Avery at 23 Foxhollow, or if you would like further information, please telephone Crafts Hill 81233. Please note that these restrictions do not apply to freehold property.

Skip

We would remind everyone that the skip facility has now been withdrawn and that residents must make their own arrangements for the disposal of garden refuse. Anyone found dumping rubbish in or around the village will be prosecuted. We regret the necessity for this action, but can see no alternative.

The next meeting of the Parish Council will be held on Tuesday 17th November at 7.30 p.m. in the Committee Room, Bar Hill Village Hall.

## COMMUNITY NEWS

Dear Reader,

I would like to take this opportunity of introducing myself. This September I took up my appointment at Bar Hill Primary School as one of the teaching staff. However, I have the additional responsibility of being the Community Tutor and would like to explain to you something of the role I am intended to play.

As a 'Community' Primary School strong links are encouraged between the school and the community (that includes you). The facilities of the school buildings are available to groups at a very reasonable cost, free in some instances; also certain equipment such as tape recorders, overhead projectors, slide projectors, etc., are available when needed.

Whilst there are a number of established groups using the school at present, there is still room for more groups to be accommodated. If you are interested in forming a new group or wishing to know if there is any interest in a new group being started in a particular topic or activity then contact me so that I might give you advice, assistance or support.

The greatest hindrance to my work as Community Tutor is apathy on your behalf. If you have any ideas or suggestions about what I could be doing or what I should be doing or feel that the community could be helping you or someone else, then please contact me.

Yours sincerely,

Alan Williams.

Tel. Crafts Hill 80332

P.S. Some people have asked about starting an evening class to study a foreign language. Are you interested ?

## BIBLE STUDY GROUP

A group meets to study the Bible on Thursday evenings at 8 p.m. at 51 Hollytrees.

We are currently studying the Gospel of John. You are welcome to come along.

For further details contact David Joyner on Crafts Hill 81432.

.....

## SUNDAY SCHOOL

We meet from 9.45 am to 10.45 am in the Church Centre on the first three Sundays of the month. The fourth Sunday is usually a Family Service where the children take part in the main service in the Octagon.

There are three classes - 3 to 5 years, 5 to 7 years and 7 to 11 years. Everyone is welcome.

On 4th October the Bar Hill Church celebrated Harvest Festival. The children came along on the Saturday afternoon prior to the service and decorated the church with leaves, flowers and the collages, autumn pictures and paper leaves which they had done over previous weeks. They worked very hard with a little supervision, and the end result was very pleasing as I am sure anyone who came to the Harvest Supper or the Harvest Festival Service would agree.

On 5th October two members of the Sunday School Team sold the Harvest Festival Produce at the entrance to the Church Centre. £11.32 was raised and the money went to the David Fefegha Memorial Fund. David was a very cheerful member of our Sunday School and is greatly missed by us all.

Eileen and Bill Norton and family would like to thank all friends and neighbours in Bar Hill for their kind messages of sympathy, flowers and donations in memory of Maurice Leslie Harris of 23 Hanover Close who died suddenly on 22nd September, 1981.

He will be sadly missed by many people but we are thankful that he did not have to suffer a long illness.

A cheque for £55 has been sent to The British Heart Foundation especially for the work done in respect of Strokes which was a project of particular interest to him. We thank God for the many ways he helped both the young and the old in Bar Hill.

Anglian Autistic Community Trust

I would be grateful if you would allow me, through this letter, to thank the kind anonymous donor who left an envelope at my house recently. The money will be put to immediate use and go towards the necessary expenditure at Barton Hall, Barton Mills.

The Bar Hill residents have always supported our annual appeal for Jumble and I am sure they will be interested to know that Barton Hall Community for Autistic young people will be opening in January 1982. In order to achieve this target opening date an enormous amount of redecorating and alteration needs to be done, and we would welcome anyone who could spare a little time to help us. As usual we will be restricted in what we can do by the limited funds available and would be grateful for any help or donation, however small.

I must apologise that what started out as a 'thank you' to one person has ended as a 'please' to many!

Sincerely,

Margaret Heppell (Hon. Sec.)

## PLAYGROUP NEWS

Our latest fashion show on Thursday 15th October was very successful and we are very grateful to our 12 lovely models who braved the catwalk to show us some super clothes. It really must take some courage to go up there! Special thanks, of course, must go to Angela and Tony Wadsworth of the Jon Marc boutique for allowing us to put this on, and also to Viv Smith who was the main organiser and co-ordinator.

Our next fund raising event will be a combined Christmas Fayre with Toddler Group, Toy Library, Netball Club and the Sunday School, which will be held on Saturday 28th November from 2.00 to 4.00 p.m. in the Village Hall. Further details are published elsewhere in this edition of the Bar Hill News. Also tickets for our forthcoming disco on Saturday 12th December will be on sale shortly. This will be held in the school from 8.00 p.m., with a buffet supper. Music by Brian Lane Roadshow.

No doubt you will have noticed that the turfing of the mound and the immediate area around Playgroup has been finished. We are very grateful to the Parish Council for authorising the completion of this work. It really does look so nice now.

Finally, could I just mention that if anyone is in possession of Playgroup dressing-up clothes, which they may have taken home to wash, and perhaps forgotten to return, could they kindly do so, as our quantity seems to be dwindling!

## BAR HILL CUBS & SCOUTS

The Bar Hill Cubs and Scout Group apologises for any inconvenience caused to residents due to the cancellation of the bottle collection planned for October 3rd. Unfortunately due to a number of last minute problems we found ourselves very short of adult helpers on Saturday 3rd and felt ourselves unable to complete the task with the few helpers who turned up.

We hope to call on your support with such a collection sometime in the New Year, and hope for better support from our own ranks, and apologise once more.

We are sure that all our members will help us to repay their kindness by treating the Youth Centre premises and property with great care.

With all this unemployment, how would you like a chance to win £20 in cash, by having a Chantal jewellery party, during the day while the children are at school, or at night when they are in bed. This is for December only.

In January if you would rather have a party for one of our sales, the hostess can have a gold or silver item half price less commission.

If you would like to see the jewellery first, or if you would like a party, please phone me on Crafts Hill 81248, evenings and weekends.
